

We are seeking an experienced and highly motivated Landscape Design candidate to join our Design-Build team in a full time, year-round position. Excellent benefits will be provided; compensation based on experience level.

Position requirements:

- Confidence in planning and designing complex residential projects
- Ability to quickly pivot project direction
- Contribute to a team driven environment

The ideal candidate will have:

- 5 years' experience with hard and soft scaping (required)
- Knowledge of proper plant siting (required)
- CAD skills (required)
- Hand rendering skills (preferred)
- Project management experience (preferred)

Please send resume and work samples to Michael DiCristina at mdicristina@hinsdalenurseries.com.
